

We offer Parents, Family and Child Care Professionals a reliable systematic approach to making decisions, solving problems and planning effective responses.

Our book, classes and on-line resources give you the knowledge and skills you need to plan an effective response to any parenting challenge... with any age child!

Get Your "Parenting Manual"

The PARENT'S TOOLSHOP® book contains:

- 150+ practical, proven tools presented in a well organized, easy to understand format.
- Examples that show you how to use these tools with children from 1 to 18.
- Practice Exercises and Answer Key.
- 1000+ topic index: bedtime, tantrums, etc.

Endorsed by the nation's leading parenting experts, this book is the product of over 15 years of in-depth research and field testing. To order your copy on-line and save, go to: www.askjpp.com/book.

Attend a LIVE or ON-LINE Class - or Learn on Your Own

Jody and her certified Parents Toolshop® Group Facilitators are available to present workshops worldwide. With the home study and On-line T.I.P.S. courses, you can learn at your own pace and convenience. (Professional CEUs available.) Choose the class that best meets your needs.
